

Fiebing's

100% Pure Neatsfoot Oil

16 FL. OZ. 473 mL

Fiebing's

Fiebing's Pure Neatsfoot Oil is a natural preservative for all leather articles subjected to rugged use and exposure. Rubbed in deeply before exposure, it repels water and protects against the stiffening effect of repeated wetting-drying cycles. Used after exposure, Pure Neatsfoot Oil is a restorative...makes dried out leather soft and pliable.

Directions: Clean leather and apply oil allowing to penetrate freely. Rub briskly with soft, dry cloth.

Caution: Oil may permanently darken light colored leathers. Do not use on suede leathers.
