NET WT. 298 g (10.5 OZ)

Water Protector

Formulated to give invisible water protection by repelling water while retaining the natural feel of your leather.

DIRECTIONS: Surface to be treated must be clean and dry. Before use on suede, brush thoroughly. Test first on an inconspicuous area. Hold can upright with spray nozzle about 6"-8" from surface and spray evenly over the entire area. Excessive wetting may darken some light colors. When treating shoes or boots, completely spray seams and soles. Allow article to dry thoroughly. Repeat as needed, especially after dry cleaning.

Danger: Contains Heptane. Do not spray near heat, sparks or open flames. Vapor harmful - Use only with adequate cross ventilation. Avoid breathing spray mist and vapor. Deliberately concentrating or inhaling the vapor may be harmful or fatal. Do not allow product vapor to accumulate. Vapor is heavier than air and may become concentrated to hazardous levels in low areas. Avoid exposing infants, children and pets including reptiles and birds to spray mist or vapor. Eye and skin irritant. Do not wear treated items until that are completely dry.

First Aid: Provide oxygen or fresh air if overcome by vapor (e.g., dizziness, drowsiness, nausea). Apply artificial respiration if breathing has stopped. Avoid frequent or prolonged contact with skin or eyes. If sprayed in eyes, remove any contact lenses, hold eyelids open and flush with water for 15 minutes. For skin contact, wash with soap and water. If swallowed, do not induce vomiting. Contact a physician immediately.

Handling and Storage: Do not puncture, incinerate, store in direct sunlight or keep in temperatures above 120° Fahrenheit (50° Celsius). Do not place near source of heat as high temperature may cause container to burst. Do not smoke while using. Dispose of in accordance with all applicable federal, state and local regulations.

KEEP OUT OF REACH OF CHILDREN
