

FIRST AID® Shampoo is especially formulated to be non-irritating and gentle to horse's sensitive skin, pH balanced, concentrated and high foaming with PCMX and Iodine.

**Directions:**

Add desired amount of concentrated shampoo to a bucket of warm water. Apply bucket contents to horse's coat and rub gently to lather. Rinse well and repeat if necessary.

**INGREDIENTS:** Surfactant shampoo base, aloe vera, sodium chloride, p-Chloro m-Xylenol, iodine, potassium iodide.

- For Equine external use only.
- Avoid contact with eyes.
- If eye irritation develops, flush eyes with clean water.
- Store in a cool area away from direct sunlight.
- Keep out of reach of children.
- Not for use on horses intended for food.
