SHOWSHEEN[®]

ORIGINAL HAIR POLISH & DETANGLER

For HORSES • CATTLE • DOGS • LLAMAS • CAMELS
ShowSheen's original formula has been enriched with pro-vitamins and silk proteins to strengthen hair and give it a lustrous, healthy shine. ShowSheen Finishing Mist produces the finest showing satin sheen with a continuous spray that can be sprayed at any angle for a streak-free, high gloss finish. ShowSheen's exclusive formula has been enhanced with the fragrance of calming Jasmine and soothing Sandalwood to give you and your horse the best performance or ride.

- Streak-free, high gloss shine
- Highlights coat color & muscle definition
- Dirt & mud fall off to save hours of grooming time
- Dries quickly and leaves healthy shine

DIRECTIONS FOR HORSES: For best results, shampoo and rinse animal thoroughly. Remove excess water with sweat scraper. Twist cap to unlock. Apply ShowSheen to coat and stroke hair flat with palm of hand or fine brush. Apply to mane and tail, then comb through. No washing off; nourishes for days. Cap locks for easy transport. For weekly touch-ups, brush animal thoroughly. Apply ShowSheen to the coat, mane and tail while dry. Then hand stroke or brush in direction of hair. To easily remove burrs and tangles, allow mane and tail to dry before combing. For additional directions and grooming tips for other animals, please visit our website.

CAUTION: Contents under pressure. Do not puncture or incinerate. Store at temperature below 120°F (48°C). Use only as directed.

IMPORTANT: Do not use on saddle area of the horse.
